

Appreciation of Mr. Patrick PRALONG, responsible of C.S.O. stable:

Mr. Cousyn, trainee instructor from September 1986 to July 1987, has shown great riding skills, both in jumping and in dressage. His sense of horses and his strive for perfection have made him one the best of his promotion.

Finally, he was able to improve and to exploit very successfully an untrained mare that he presented beautifully at the instructor's exam."

From Mr. Bruno LOSTRIA (France, April 5, 1994)

"I undersigned, Bruno LOSTRIA, national D.N.E.P. dressage trainer of the French Equestrian Federation, certify that I have regularly worked with Mr. Pierre COUSYN, State - agreed instructor, in view of competition and improvement of teaching skills. He has all the required qualities as a trainer to make his students progress in competition, he teaches with a lot of rigour and seriousness."

From Ms. Isabelle DOMINICY (France, April 17, 1994)

" ... Thanks to Mr. Cousyn I have started in competition with my horse RHUM DE L'ABBAYE who was a novice himself and we obtained very honorable results. Today we are in fact regularly classified at level C and I am invited to participate in the 1994 French Championship ... "

From Ms. Valérie HEUTSCHI (Switzerland, January 16, 1995)

" I have found him to be a very competent trainer of both horses and riders. His instruction in classical dressage in particular, was very sought after here and the results of his training were noticeable at a competitive level. Pierre rode my Hannoverian stallion, Dorint, in dressage competitions during the 1993 season. Thanks to his excellent results, I was able to successfully sell my horse... I have found Pierre to be a very good rider and teacher. He is also scupulously honest, polite, helpful and genuine. I can recommend Pierre not only as a horseman, he is also a gentleman."
